

Deerlick Astronomy Village Memorial Day Weekend Picnic and Open House May 30, 2010

Mark your calendars! On Memorial Day Weekend, the DAV residents & the Deerlick Group LLC will be hosting our annual Family & Friends Picnic on Sunday 5/30/10 at 5 PM at the pavilion on Grier's Field. We will have an Open House Sunday afternoon so that guests may tour DAV.

Camping will be FREE on Sunday night May 30th for those who want to stay overnight after the picnic. Friday & Saturday camping will just be \$5 per guest per night. DAV field membership is not required for those attending the weekend event. This year Memorial Day weekend will be just after a full moon, so although the skies might be bright, the moon will be beautiful ☺. Invite your friends to come on out for a great picnic supper and get a sample of what Deerlick Astronomy Village is all about.

The cookout on Sunday May 30th will be held on Grier's Field at the pavilion. Everyone is invited. The Deerlick Group will again provide the meat (burgers and brats) and provide volunteers to perform the cooking duties. Be thinking about what favorite potluck side dish or dessert you'd like to share.

Please RSVP to picnic@deerlickgroup.com by May 27th to let us know what you're bringing to the potluck and how many will be attending. See you at the picnic!
